

a century of stars

An exhibit of quilts at the Museum of Industry

A private collection of beautiful star quilts will be on display at the Museum of Industry in Stellarton from Wednesday, July 1 to Monday, September 7, 2009.

This exhibit features quilts from the collection of Diane MacLeod Shink, certified appraiser and co-author of *Canadian Heritage Quilting. Quick Creative Designs*.

Each quilt displays a variety of star designs ranging from easy to difficult, depending on the shape and points of the star. Fabric colours and materials are vibrant and reflect the personality of their makers.

We invite you to the official opening on Canada Day, at 2:00 pm to meet Ms. MacLeod Shink.
